The Antaeus Company presents

COUSIN BETTE

by Jeffrey Hatcher

Based on the novel by Honoré de Balzac

Wicked, cunning, seductive -- Bette, the poor relation of the wealthy Hulots, is devoted to her family - until one of them steals the love of her life. She becomes an avenging angel whose voracious appetite for revenge knows no bounds. Set against the backdrop of 1840's Paris, Jeffrey Hatcher's sublime, darkly comic adaptation of Honore de Balzac's masterpiece is a thrill-ride of passion, jealousy and fatal attraction.
